

[RapidSource Benefits](#)[Switchboards](#)[Integrated Equipment](#)[Motor Control Centers](#)[Find a Distributor](#)

Whether you're ordering Square D™ Switchboards, Integrated Equipment or Low Voltage Motor Control Centers, the RapidSource™ program expedites your delivery and reduces lead time, allowing you to meet tighter work schedules.

An expanded selection of equipment ratings and options are available, ensuring you can always install quality Square D products at your job sites.

Plus, **factory-approved construction drawings are available immediately**, so you can keep your team working on pouring pads and installing conduit right away, keeping your crew productive.
